What's New in District 2

Apply to serve on a Gwinnett County board

Looking for a way to get more involved in your community? Consider serving as the District 2 appointee on the [Gwinnett County Stormwater Authority](#), the [Gwinnett County Human Services Advisory Board](#), or the [Family and Children Services Board](#).

In addition to these boards and authorities, we have two openings on the internal [Audit Committee](#). The purpose of the committee is to oversee the County's external and internal audit functions. It also promotes adherence to policies at all levels and encourages continuous improvement in the control environment.

Serving on any of these community-led boards is a great way to stay informed about County initiatives, and to help advise commissioners and various departments on policies and practices.

For more information about Gwinnett County boards, authorities, and committees, please visit the [Gwinnett County website](#). If you're interested, please [submit an application](#) by **Friday, December 6**.
