COUNTY AWARDS BRIDGE, ROAD IMPROVEMENT CONTRACTS

(Lawrenceville, Ga., Oct. 22, 2015) – Garner Road will get a new bridge over Garner Creek and Five Forks Trickum Road will get a new left turn lane at Chesapeake Drive under two contracts Gwinnett commissioners awarded to low bidder CMES Inc. on Tuesday. Both projects are funded by the 2009 SPLOST and include sidewalk, curb and gutter and drainage improvements.

The Garner Road bridge project, south of Lilburn, will replace an existing structure and raise the roadway to improve sight distance. The work will also include some sidewalk, curb, gutter, and drainage improvements. The \$3.4 million project will take about 20 months to complete.

The safety and alignment project on Five Forks Trickum Road runs between Lake Lucerne Road and Timberland Drive. New sidewalk on the south side will connect Lake Lucerne to existing sidewalk near the Silver Hill subdivision. The new left turn lane will serve the Old Dominion subdivision. The cost is \$815,978 and should take about six months to complete
