Applicants will not be considered eligible to receive funds until an application has been completed, the annual gross household income has been verified by program staff, and the Certificate of Program Eligibility has been received by the applicant.

HOMESTRETCH DOWN PAYMENT ASSISTANCE PRE-APPLICATION PROCESS

1. **Complete an eight-hour minimum Pre-Purchase Mortgage Counseling Class** from a HUD-approved Housing Counseling Agency. To submit a pre-application, you must have completed the class and obtained a Certificate of Class Completion. See Page 5 for a list of frequently used HUD-approved Housing Counseling Agencies in Metro Atlanta. *The certificate from this class is a required part of the pre-application package.*
2. **Meet with a mortgage lender** of your choice. The Gwinnett County Homestretch Program requires a **Pre-Approval Letter** from a mortgage lender showing the designated amount of mortgage and fixed-interest rate terms to be financed. Home mortgages must be a fixed-rate loan with no adjustable components. Also, ask your mortgage lender to provide **three bureau full credit reports with three credit scores**. At least one credit score must be **580 or higher**. *These documents are required as part of the pre-application package.*
3. Complete and sign the attached **Pre-Application Checklist**. *This document is required as part of this preapplication package.*

 - Certificate of Pre-Purchase Education Completion (eight hours minimum) from a HUD-approved Housing Counseling Agency
 - Pre-Approval Letter from a Mortgage Lender
 - Three Bureau Full Credit Report with three credit scores (one score of 580 or higher)
 - Pre-Application Checklist
 - Executed Purchase and Sale Agreement (if applicable) – **Note: This is not required to begin the remaining process but is required prior to confirming full eligibility.**

HOMESTRETCH DOWN PAYMENT ASSISTANCE FORMAL APPLICATION PROCESS

After the Program Specialist has reviewed the above documents, you will receive an appointment request form via email with a list of documents required to complete the formal program application, as well as income verification. If other pre-application documents are submitted without an executed contract, Gwinnett County will send an appointment request form to the applicant that must be filled out and returned by email, fax, in-person, or by United States Postal Service.

1. Orientation class times are scheduled online via Microsoft Teams. We will notify the homebuyer of the scheduled orientation classes.
2. The orientation class will be held at One Justice Square in Suite 420, located at 446 W Crogan Street in Lawrenceville.
3. Appointments are scheduled on a first-come, first-served basis, while funding is available.
4. Applicants will be notified by email of the required documents to submit prior to the orientation class.
 - Annual Household Gross Income will be determined by multiplying the average amount of gross pay an individual (ages 18 years or older) in the household receives over a 2-month period, then projecting that amount of pay out for the upcoming year (multiply by the amount of annual pay periods).
 - Total Gross Income will be combined per household member's age (ages 18 years or older) for final calculation. Other forms of income include Social Security, child support, alimony, pension payments, unemployment, etc.
5. Applicants will not be considered eligible to receive HOME funds until they have submitted all required documentation and completed the required Homestretch Program application. Only after the applicant has received their Certificate of Program Eligibility will the applicant be considered eligible to receive funds.
6. Though a Homestretch applicant has been considered eligible for funds, properties under contract and submitted to the Homestretch Program will not be considered eligible for funding until the designated Homestretch Program Inspector inspects and issues a passed report that states that the property has met all program requirements. After the property has passed the program inspection, a funding Certificate of Program Eligibility will be issued and distributed to all involved parties as notification that the funding approval has been completed and the check is being requested.

Note: Bankruptcies by the applicant and co-applicant must have been discharged for at least two years prior to the date of the submission of a formal application. If a bankruptcy discharge has occurred, you will need to submit a copy of the discharge documents.
