HOW TO VOLUNTEER:

Volunteering for a project is easy! You can volunteer as a group, individual or with your company for any of the projects. You can find projects based on location, interest area or by number of volunteers needed. Projects are updated daily, check back if you don't see a project that meets your needs. **GwinnettGreatDaysOfService.org/Volunteer**

GROUPS:

Groups are always encouraged to volunteer for projects. Groups can register for projects through our registration portal. Team leaders will create the teams, and invite the other team members to register.*

INDIVIDUALS:

Individuals can register individually through our registration portal

CORPORATIONS:

Businesses small & large are always encouraged to volunteer for projects!*
