Addendum No. 1
BL127-24
Purchase of Rubber Floor Tiles

The following addition/changes modify the Bid No. BL127-24 "Purchase of Rubber Floor Tiles" Contract Documents, dated September 2024, as first advertised on September 25, 2024.

I. Questions:

- Q1. This question is regarding the glue, Divergent 574. It comes in 4-gallon pails. Is there a specific amount needed or is this determined by the manufacturer's recommendations for quantity?**
- A1. The amount of glue to use is based on 11,400 sq. ft. of tile, which will be determined by the manufacturer's recommendation.

Acknowledge receipt of this addendum on the firm information page of the request for proposal.

Sincerely,
Brittany Bryant, CPPB
Purchasing Associate III
