**Addendum #3
BL121-24
Purchase of Endpoint Detection and Response Software on a Multi-Year Contract**

Please see the summation of revisions, questions and answers for the above solicitation below.

Revision

R1. Replace Addendum 1, R2 with the following updated verbiage. The dates were revised. Please add the following verbiage: The services to be performed under this Agreement shall commence on January 1, **2025**. The initial term of this Agreement shall be through December 31, **2025**. This Agreement shall terminate absolutely and without further obligation on the part of the County at the close of the calendar year of execution and at the close of each succeeding calendar year of renewal, if renewed. This Agreement shall be automatically renewed upon the same terms and conditions unless the County terminates the Agreement on the day of the close of the calendar year in which it was executed or within sixty (60) days after the day of the close of the calendar year of execution or of each succeeding calendar year for which it may be renewed, for a total lifetime obligation of five (5) years. If applicable, title to any supplies, materials, equipment or other personal property shall remain in the vendor until fully paid for by the County. In addition, this Agreement will terminate immediately and absolutely when appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the County under the Agreement. Any obligation of the County hereunder is only for such sums payable during the calendar year of execution or each calendar year of renewal, if renewed.

Questions

- Q1. What is the allocated budget for this solicitation?
A1. There is approved funding for this project. Gwinnett County expects each supplier to bid a competitive price. Award will be made to the lowest responsive and responsible bidder.
- Q2. With the Endpoint Detection Response (EDR) solution, is the County looking for Managed Detection and Response (MDR)?
A2. No.
- Q3. Is the County interested in looking at pricing for a base level, an EDR or MDR solution?
A3. Base level EDR. MDR is not needed.
- Q4. Please confirm there is no installation or implementation required.
A4. No implementation or installation needed.

Acknowledge receipt of this addendum on Page 4 of the bid document.
