A1. Yes.
- Q2.** For Line Item 2, will the County accept quotes for an 8'x14' double run kennel?
A2. Yes.
- Q3.** For the 8'x14' double run kennel, what does the County mean by "standard kennel features"?
A3. Please see R1.
- Q4.** For the 8'x12' single run kennels, does the County want it insulated or not?
A4. Yes, insulated.
- Q2.** For what the County is referring to as the "feed room", is it just the interior area of the kennel?
A2. Feed room is referring to the interior area which needs to be insulated/weatherproof. There is no need for an additional partition/gate in the single units. As far as the double unit, it needs to be 2 separate compartments, with doors on both sides to access the interior rooms.
